Vision Statement

We are determined to create an inclusive culture of learning where all children will be challenged in their thinking, to achieve the best of their abilities and strive to become lifelong learners.

We will empower our children to become respected citizens to enable them to make valuable contributions locally, globally and to contribute to our world's sustainable future.

This can be done most effectively when all staff, parents and children understand their responsibilities and work together towards the same goals, as detailed in our home/school agreement.

ASPIRE, ACHIEVEMENT, INDEPENDENCE

We all agree to live by our school values of
