I write this newsletter after a very successful second week of our phased return to school. The 26 children who have been in this week seemed very happy to be back and have achieved a lot from returning: not just from a learning prospective. They have been so understanding of the new restrictions which are in place both at school and within everyday life.

The time away from normality has really helped me appreciate the small things in life that in the past I have tended to take for granted and equally I feel the children are realising what an important role school and friendships play in their life. It is for this reason I feel that it is essential for us to try and give the opportunity for all children to return at some point during the coming weeks. Having risk assessed our plans very carefully I am pleased to confirm that we do have the capacity to do this safely.

I want to once again thank the staff for their continued commitment in ensuring this week has run smoothly and this includes the staff who are continuing to work remotely, ensuring the home learning is still happening. A big thank you is also due to parents who have ensured collection and dropping off times have run well and that there have been no unsafe gatherings outside the gates.

Don't forget that if your child has not returned and you are finding things difficult, do contact the school and we will try our best to help. We know how hard these times are for us all. I wish you all a wonderful weekend and I'm looking forward to next week already.

Head of School

HERE FOR YOU

For the love we've felt in our families,
Thank you God,
For the hope we've held in our thoughts,
Thank you God,
For the friendships we've strengthened
over phones and fences, Thank you God
For the kindness we've shared with our
community, Thank you God
For your Truth we've followed in faith,
Thank you God.
Help us to show your love and peace in
our words and actions.
Amen.

THANK
YOU
GOD!
