Welcome back to a fantastic first week back. It's been brilliant; a big thank you to every one for their contributions in making it such a success and run so smoothly. The children have been amazing. I am hoping it won't be long until this new normal feels normal. Please remember the wearing of PE kits all day on certain days start next week (please see later on in the newsletter for specific PE days). Please do contact the school if you have any concerns or questions.

Next week we welcome the Reception children for 3 stay and play afternoon. We look forward to welcoming them and hope their time at Charing is a special one that they remember. Also from next Friday afternoon, we are aiming for celebration worship to return but slightly differently to normal. It will be held via zoom across classes, technology dependent; parents will be invited to join the zoom meeting if their child is receiving a certificate.

Could parents please note if they are thinking of jetting away over half term, that children's absence will be recorded as unauthorised (and potentially fined) if they have to quarantine on return and this is known beforehand.

Have a great weekend and we look forward to next week.

We would like to send a heartfelt thankyou and goodbye to Mrs Gunther. Mrs Gunther has been a volunteer here at Charing for many years and her support and passion for the children's learning will be greatly missed. We wish her well in her new home.

Our new school prayer  
 Father God,  
 Thank you for our school.  
 Help us to:  
 Grow in CONFIDENCE  
 Learn with DETERMINATION  
 Live by FAITH  
 Build good FRIENDSHIPS and  
 Show RESPECT to all.  
 Amen

### Coffee, cake and a catch-up!!!

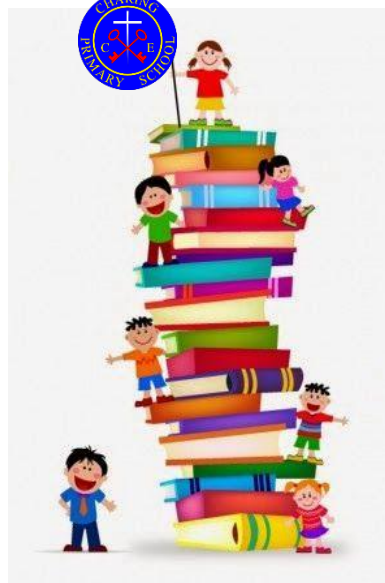

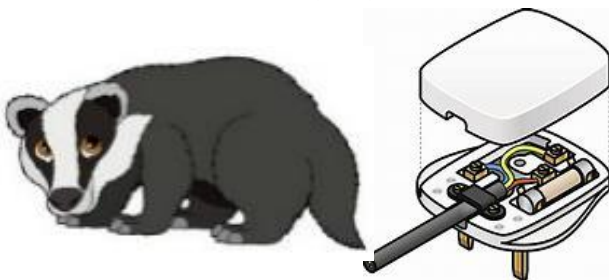

Please join Mrs Hawkins for a socially distanced coffee, cake and a catch-up on Friday 11<sup>th</sup> September from 2.30pm, on the grass at the front of the school – weather dependent. If possible, please can you bring your own mug/travel cup. We look forward to seeing you then.

### Badgers Class!

Please can you bring in any old spare plugs you have at home by next Friday. We will be learning how to wire a plug!

### Reading books!

Your child will have brought home a book today. Please don't worry if this is not the right reading level for your child. We will be assessing them over the next few weeks when they will then be given the appropriate book.
