'If I could paint the flower exactly as I see it, no one would see what I see because I would paint it small like the flower is small. So, I said to myself—I'll paint what I see—what the flower is to me but I'll paint it big and they will be surprised into taking time to look at it.'—Georgia O'Keeffe

Draw a close-up of a flower, using the Flower Photopack, or why not use a real flower? You could even use a tablet to take a photo of the flower and then zoom in.

A large empty rectangular box with a green border, intended for drawing a close-up of a flower. The box is currently blank, providing space for the student's artwork.
