Whole School –		Year to date –		Target –
95.37%		95.79%		96%

We have come to the end of our first week back into the summer term and incredibly we only have eleven weeks of the academic year left! Despite all the disruptions the year is going very quickly so we must use the remaining time well!

I trust that you have all had a wonderful Easter; everyone has certainly come back well rested raring to go this week. I hope you all enjoyed the Easter egg hunt around the village during our time off - many thanks to Mrs Hammond for organising it and to those who kindly put the Easter eggs up in their windows.

It is really good to see that the Covid 19 infection rate continues to stay very low and that Ashford's rate is currently below the average for England. We must continue to respect and follow the guidance (despite the cold winds) to keep everyone safe. Please resist the temptation to forget social distancing and the other anti virus measures so that hopefully the Prime Minister's road map can carry on and from 21st June restrictions lifted.

We are currently in the process of planning school outings for the last few weeks if the restrictions are indeed lifted so let's not drop our guard. More details will follow in the coming weeks. As said before, if the regulations allow we aim to hold a big celebration on the field on Wednesday 14th July, following KS2 sports' day, with parents invited to join us. Rabbits and Squirrels' sports day will be advertised in the coming weeks.

I wish you all a safe weekend and look forward to seeing the children continue to produce great work next week. Let's hope the sun keeps shining and the temperature rises slightly!

Mr Bird.

# CELEBRATION COLLECTIVE WORSHIP

**Ruth**      **Joseph**      **Oliver.V**      **Ella-May**      **Lia**      **William**  
**Flo**      **Amelie**      **Sonnie**      **Vinnie**  
**Sherrilee**      **Oscar**      **Mollie**

This week we have remembered the life of Prince Phillip, and the amazing companionship and service that he gave to the Queen and our Country. We thought about how we can show the same service to our school community.

## Prayer

God of our lives,

We give thanks for the life of Prince Philip,  
for his love of our country,  
and for his devotion to duty.

Help us to show love and devotion to our  
families, school and the wider community,  
through our Redeemer Jesus Christ.

Amen

*Living and Learning with Faith, Friendship and Fun*

We've had a fantastic week back. Everyone has enjoyed our new text, Skellig and has produced some wonderful writing. We have made mood boards based on patterns found in nature

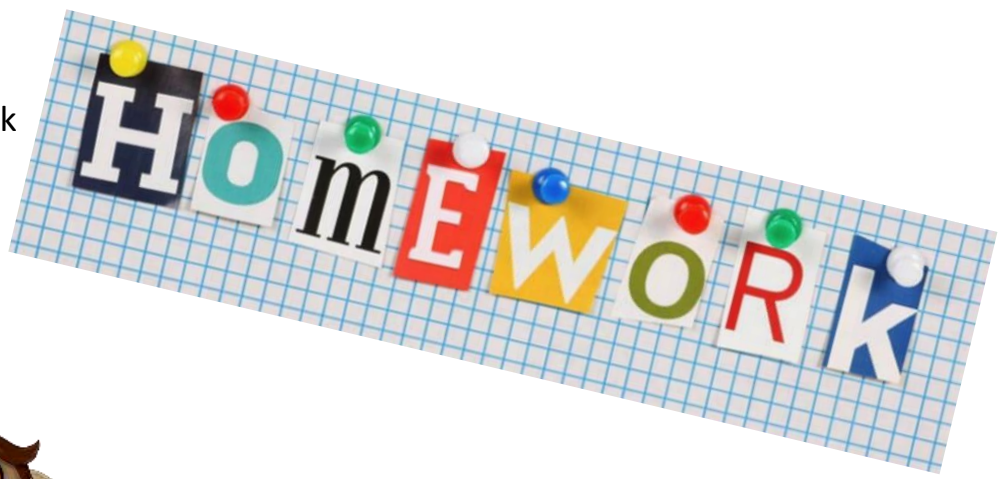

Well done Badgers on a super start to term 5. We began our new Life Skills lessons with an afternoon sorting out the garden!

*Living and Learning with Faith, Friendship and Fun*

For this term, all homework will be set on a Friday and handed in the following Wednesday.

Owls.

Please ensure phones are switched off or on silent when handed in to the office. Mrs Halliday is getting a headache from all the different ringtones!

Did you take part in our Easter egg Hunt?  
Did you find all the eggs?  
We hope you had fun!

*Living and Learning with Faith, Friendship and Fun*
