Living and learning with faith, friendship and fun

Our inclusive school is a place of creative learning where all talents are developed, celebrated and enjoyed. We nurture all to be curious, passionate and resilient lifelong learners. As a community, we listen to, forgive and love one another so all can be confident in who they are. Inspired by Jesus we walk beside each individual in our family by understanding and responding to their unique needs. We have hope in all our children that they grow to be open, compassionate people of the world who stand up for what is right.
